Sheltering Hands Inc. Receives \$2500 Grant from PetCo Love to Support Animal Welfare Initiatives

Ocala, Florida - Sheltering Hands Inc., an Ocala-based cat welfare organization providing low-cost spay/neuter surgeries and a comprehensive cat adoption program, is pleased to announce that it has been awarded a \$2500 grant from PetCo Love, a nonprofit organization with a mission to support lifesaving work in animal shelters and foster care organizations.

PetCo Love, formerly the Petco Foundation, aims to create a world where every animal thrives by collaborating with animal welfare organizations nationwide. Their grant programs support organizations like Sheltering Hands Inc., enabling them to continue their vital work in animal rescue, rehabilitation, and adoption.

Sheltering Hands Inc., founded in 2007, operates a comprehensive program that includes foster care, adoption services, and community outreach initiatives. With a strong emphasis on compassion and care, Sheltering Hands Inc. works tirelessly to provide medical attention, socialization, and loving homes for cats and kittens in need.

"We are deeply grateful to PetCo Love for their generous grant," said April LeSage, Sheltering Hands Inc. Executive Director. "This funding will enhance our efforts to rescue, rehabilitate, and rehome cats and kittens in our community. With PetCo Love's support, we can continue to positively impact the lives of animals and the people who love them."
